Subject: Letter of Guaranty – **Ogle Glass and Hard Surface Cleaner** (DA6851)

To Whom It May Concern:

This letter certifies that **Ogle** is formulated consistent with the USDA *Guidelines for Obtaining Authorization of Compounds to be Used in Meat and Poultry Plants*. As such, **Ogle** is considered suitable for use in federally inspected poultry, meat, rabbit, and shelled egg plants if used in a manner consistent with the label directions. Used in this manner, **Ogle** will not have an adverse effect on food product or create unsanitary conditions.

Ogle is intended for the use on all surfaces in inedible product processing areas, non-processing areas, and/or exterior areas. This compound must not be used to mask odors resulting from insanitary conditions. They must be used in a manner which prevents penetration of any characteristic odor or fragrance into edible product areas. Permission to use this compound on loading docks and other similar areas is left to the discretion of the Inspector(s) in charge of the facility.
